Please check the list and feel free to let us know your need.Thanks.

Notes:

- *C65100 / C65500 silicon bronze fasteners are excellent for use in many marine and commercial applications.
- *Used where a stainless steel fasteners might not meet the applications,or a dissimilar metal is required.
- *Made from Cu with Si,Mn,Zn,Ni added for strength.
- *Silicon bronze is known as a high-strength material with several important factors,including high conductivity,excellent corrosion resistance to brines, gases and sulphites.
